Our Church History

In April 1953, Mr. & Mrs. J.L. Snowden began knocking on doors and gathering together families who were interested in starting an Independent Baptist Church, in the city of Arlington. The Snowden's had been attending the Prairie Street Baptist Church but left later the pastor and church decided to take this church into the Southern Baptist Convention. It was the Snowden's desire and conviction that Arlington needed a truly Independent Baptist Church. Bro. Snowden had been inspired during WWII with the ministry of Independent Baptist Churches he had come into contact with. J.L. was never ordained but was instrumental in the establishment of several Independent Baptist Churches in the Metroplex. During the church's first year Bro. Snowden and at least two other men preached and tried to establish the church. Under Bro. Snowden's direction, the church obtained its first property and building on Kirby St. behind the old U.T.A. football field. The name Lighthouse Baptist Church was chosen for the new work. Ed & Helen Hill were friends of the Snowden's and had surrendered to the ministry at the Prairie Street Baptist Church and gone off to Baptist Bible College. The Snowden's had even bought their house in Arlington so that they would have money to go to Bible College. When Bro. Ed Hill graduated from Baptist Bible College in 1954 he came back to Arlington to take this new struggling work. Bro. Hill stated that when he got here there was only one family and his in April 1954, for a total of five in Sunday School. The church continued to struggle for many weeks and months with few in numbers and many times just the original five in attendance at services. During 1953 the church had not baptized anyone that had been saved or come into the membership from other denominations. One of the first priorities of Bro. Hill was to complete the baptistry and baptize those that presented themselves. Also the church had not started a missions program. Under Bro. Hill's leadership the church voted to give 10% of its income to missions. The first missionaries were Bro. & Mrs. Charles Coleman at \$10.00 a month. After a few months of testing, the Lord began to bless on every hand. At first it was a family or two every now and then and then the church began to average in the 30's in Sunday School. A Sunday School building was started to accommodate approximately 200. It was finished around Christmas 1954. Between December 1954 and April 1955 the attendance tripled with a high of 130 on February 27, 1955 for special services. Many people were saved and baptized during this wonderful time of blessing on the church, even an 80-year-old man. God gave the church a wonderful pianist and her husband. On April 1, 1955 Bro. Hill gave up his full-time job in Dallas and went on the staff of the church full time. During this time the church sold its first building to the college and relocated on Collins Street. There were several building projects along the way as the church continued to grow. It was at this time the church's name was changed to Arlington Baptist Temple. In July of 1980 the church began building the dream of Bro. E.D. Hill. Arlington Baptist Temple at 3434 S. Collins was completed and the first service was held on January 11, 1981. Bro. Hill had gone to Texas Commerce Bank to see about getting a loan to remodel the old building. Mr. Howard Wilemon, who was then President of the Bank, said, "Why remodel your old church? Let me buy you a new one." He gave Bro. Hill enough money to buy 4 acres at 3434 S. Collins and start construction for the building. Rev. E.D. Hill went home to be with the Lord in July 1983 after only 2-1/2 years at the new location. Mrs. Helen Hill remained an active member of our congregation and died in December 1997.

Church History Con't

At the death of Bro. Hill the church was approached about the possibility of merging with the New York Avenue Baptist Church just a few miles away. Rev. Alvis Edmonson was the pastor and in the merging agreement the New York Avenue property would be sold and Bro. Edmonson would become the pastor of the combined churches at Arlington Baptist Temple. Both churches voted on August 21, 1983 and approved the merge. In May 1985 the church voted to purchase 2.9 acres of adjacent land. The cost was \$386,874.60 or \$3.00 per sq. ft.. After the sale of New York Avenue Baptist Church properties and the clearing of all debts the church borrowed \$130,000.00 to secure this new property. In May 1991 the church built a 50 X 30.6 extension onto the Fellowship Hall at a cost of \$40,500.00. Bro. Alvis Edmonson retired from the pastorate on October 6, 1996. Betty Edmonson went home to be with the Lord February 3, 1986. Bro. Edmonson married Joanna in early 1987. Today Bro. Edmonson is retired but actively preaching all across the country in revivals, mission conferences and pulpit supply.

Rev. Russell & Charlene Williams were called to the church on April 13, 1997. The Williams were no strangers to Arlington Baptist Temple. Bro. Williams had fellowshipped with the church, having pastored in Grand Prairie for nine years and even spoke several times for Bro. Hill. In July 1985 the Williams joined the church and became home missionaries out of the church. They went to Salt Lake City, Utah and started the Mountain Side Baptist Church in November 1986. Bro. Edmonson helped in the Charter service in November 1987 as pastor of the mother and sending church, Arlington Baptist Temple. In 1997 the church did more than \$50,000.00 in remodeling and in January 1998 voted to build a new family life center. On Anniversary Sunday, April 19, 1998, we broke ground for that building. The new multi-purpose building containing 23,000 sq. feet will be dedicated on the church's Golden Anniversary, April 13, 2003. We do not know what the future holds but we know who holds the future. We look forward to the next fifty years of sowing the seed and carrying the light to a lost world. Our worldwide vision includes over 85 missionary projects and is growing. This is a very special time in the history of Arlington Baptist Temple.

New Multipurpose Facility

At 22,000 square feet this newest part of our facilities doubles the size of our existing facilities. This multi-purpose building holds our church offices, missions apartment, kitchen, junior high and high school classrooms, and has a 10,000-square-foot gym which can be used for activities, dinners, and worship services.

STEPPING STONES OF FAITH

We would like to say thank you to everyone who has given to our building fund over the years. Our new Family Life Center would not have been possible without the sacrificial gifts that you have given. As you enter the Family Life Center you will notice three crosses laid out in bricks with engraved names on them. These names are of those who gave, or were given in honor of, \$1,000 or more to our building fund. These precious names will forever be known as a Stepping Stone Of Faith at Arlington Baptist Temple.

Thank you for your vision in our church.
